*'Grow and Learn together in the presence of God'*

### **Fabulous Finale Day – Friday 4<sup>th</sup> April 2025**

**Reception** – Please come to school **dressed as what you would like to be when you grow up- i.e. police, vet, astronaut, farmer etc**

**Year 1** – Please come dressed up in **space themed clothes** and send in junk modelling items to support children in building their very own rocket ship.

**Year 2** - Children are invited to come to **school dressed in fire colours-red, orange, brown and yellow**. In addition, children should bring a cereal box and kitchen roll for the base of their fire engine (no toilet rolls please).

### **Nursery Easter Bonnets**

We're excited to invite our youngest children to celebrate Easter by wearing a home-made Easter bonnet on Wednesday, 9th April 2025!

This year, we're focusing on creativity and sustainability. We ask that you and your child work together to design a bonnet using environmentally friendly and ecologically conscious materials.

At Nursery, we're committed to caring for our environment. We've taken some wonderful steps to enhance our school environment including planting new greenery and continuing to use a composter for recycling materials. Now, we want to extend this theme into your homes and encourage you to create some beautiful eco-friendly bonnets. Think recycled resources and natural materials—there are so many possibilities!

We can't wait to see the incredible bonnets you and your children come up with! Please bring them to Nursery on Wednesday, 9th April, for our exciting in-house bonnet parade.

Remember, every little effort helps! Let's reduce, reuse, and recycle while having fun this Easter!

### **Reminder RE: Morning Drop Off**

Please ensure children are not accessing the tyres while waiting on the playground in the morning. This practice is essential to prevent any potential injuries. It's important that children remain under adult supervision until the bell rings at 8:50 am.

Thank you for your cooperation

### **KS1 Water Safety Session**

Last week, the children in KS1 participated in an engaging and informative water safety session conducted by the Canal and River Trust. The session aimed to equip our young learners with essential knowledge about how to stay SAFE near water.

During the session, the children learned valuable skills and techniques to ensure their safety in and around water. It is our hope that they were able to share this important information with you at home, reinforcing the key messages about the significance of being cautious and knowing how to respond in case of an emergency.

### **Thought for the Fortnight**

### **Infant School Easter Service – Thursday 10<sup>th</sup> April @ 11:00am in Church**

Parents are invited to join us in church on Thursday 10<sup>th</sup> April for our Easter Service which will be led by our Reception children.

If you are available to support with walking to church on Thursday 10<sup>th</sup> April, please inform your child's class teacher or alternatively contact the school office – 01902 558945

We will be leaving school at approximately 10:40am in preparation for the 11:00am service.

## Reception Police Visits

As part of Reception's "People Who Help Us" topic, they welcomed local police officers for two informative visits.

During these visits, the children engaged in hands-on activities that enhanced their understanding of the police force. They had the chance to try on police uniforms, which sparked their imagination and allowed them to experience a little bit of what it's like to be an officer. Additionally, the children were able to explore a police van, even sitting in the back!

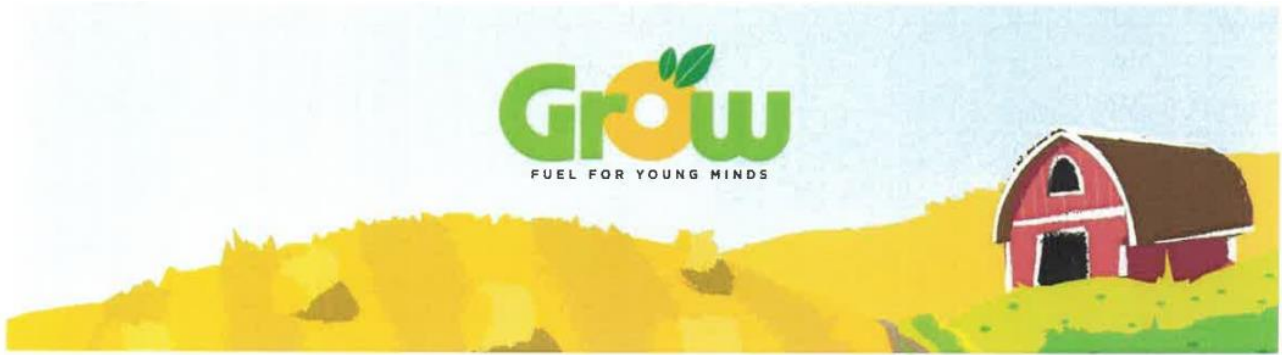

We extend our heartfelt thanks to Reggie's Dad and our local PCSO's for taking the time to visit us and share their knowledge and experiences. These interactions help our children appreciate the significance of community helpers and foster a sense of safety and security.
