"Working together to build a strong foundation through Faith and learning"

Worship Theme for the Week-

Courage- Overcoming Fear.

Thought of the week

Courage doesn't always roar. Sometimes courage is the little voice at the end of the day that says I'll try again tomorrow.

 Thank You

Thank you for all of your support and kind words over the past few weeks, staff really do appreciate your messages.

Staff are working extremely hard to provide lessons for both the children in school and those at home. If you do need assistance, in any way, please contact either the school office or your child's class teacher on the year group email address and we shall do our utmost to ensure you get the support you need.

Home Learning

We are very proud of the dedication our children have shown towards their learning over the past few weeks, even when working at home under very difficult circumstances. Thank you to all our parents for your hard work and support in helping the children. It has been great to see so many of the children logging onto TEAMS to register, say good morning and watch their daily lessons. We are delighted to say that we have 96% of our pupils engaging with the work provided and we are working with some of our families to raise that to 100%.

Next Week's Home Learning Reminders

Please log in to your child's TEAMS account between 9.00-9.30am each morning and say hello on the registration tab on the left hand side. A member of staff will then record that your child is ready to learn for the day. The staff will then sign post you to the day's learning.

The teachers will upload daily videos onto TEAMS. Please give a thumbs up on the right hand side so that staff know that you have accessed the teachers instructions before completing the work on the portal.

All the additional resources you need will be uploaded onto the school work portal. This can be either downloaded and printed or just used as a visual guide and work completed on paper or in a home learning book, we do not expect you to print everything off.

You will also find a Soccer 2000 folder in the Infants work portal. Mr Green our sports coach is kindly recording weekly P.E lessons for children at home, so there is no excuse not to keep active!

Any issues please let us know as soon as possible and we will do our best to get them resolved quickly.

For support with your child's home learning please email the relevant class emails

Our Home Learning Gallery

It has been lovely to receive so many fabulous photographs of the children learning at home this week. You are chefs, artists, inventors, athletes, mathematicians, explorers and authors. But most of all you are amazing!!

Please keep your pictures coming in. We love to see the work you are doing whilst at home.
