### Moog and Compton Care Competition

Moog Aerospace, in partnership with Compton Care have launched a really exciting competition for Primary school children in Wolverhampton.

Their offices are home to 5 bee hives and last year they produced over 24kg of delicious Moog honey! All proceeds from the honey were donated to Compton Care and they have so far raised £1,200 which will allow them to continue supporting local people with an incurable illness.

This May, Moog are looking for local children to design a label which will be printed and used on the jars of honey when it's harvested in May. The winning design will be chosen by representatives from Moog, Compton Care and the Beekeeper Association.

The winning design will receive:

- Their winning label, printed and used on the jars of honey.
- A bee experience for the child plus an adult and one friend at Moog Aerospace at i54.
- A £25 gift card.
- Lunch with Moog and Compton.
- Our lovely mascot Custard will also visit as we all know bears love honey!

We cannot wait to see the children's creations.

Entries to be returned to school by **Tuesday 18th** at 4pm.
