"Working together to build a strong foundation through Faith and learning"

On Monday and Tuesday, our Reception, Year 1 and Year 2 classes took part in a polyphone workshop where they were taught how to play the polyphones by Mr Clark.

This fantastic opportunity was funded by our PFA – thank you!

All of the children enjoyed learning to play the polyphones. At the end of the second day, Year 2 gave a fantastic finale performance to the rest of the school. Well done Year 2 and to all our children; you listened carefully and played with enthusiasm during your class session. I hope Mr Clark will be able to return next year to further develop the children's skills.

Barnaby Bear

Just a reminder that Barnaby Bear and his friends would love to come away with you if you are going on holiday over the half term break. Please write to Mrs Tate (1TM) if you are interested stating where you are going and what class you are in. Thank you.

Well done 1DO

Well done to 1DO who led whole school worship yesterday. You did a fantastic job! You reinforced our theme for this half term and reminded us all that we should persevere even when things get tricky.
