

Christ Church C of E Junior School Newsletter 31

Friday 19th May 2023

This week our Collective
Worship theme was:

Democracy

Writer of the Week

Year 3- Hattie Walker

Year 4- Ava Kahtker

Year 5- Ameer Khan

Year 6- Raina Raikhy

Our Vision

Grow and learn together with God by our side.

Cayden Corinaldi has won the **Golden Jacket** this week!

Look out for Cayden in the golden jacket around school next week!

Who could be wearing the jacket with pride next week?

Spellings

Children should now have a new login in for their Spellings Shed accounts this year.

Please find a link below to the login area:

https://www.edshed.com/en-gb/login?return_url=https%3A%2F%2Fwww.spellingshed.com%2Fen-gb

For week beginning Monday 22nd May children will complete list 31 for their year groups.

Spellings can also be found at:

<https://www.christchurchfederation.co.uk/junior-curriculum-maps>

School Dinners

Next week will be week 2

School dinners are £2.50 per day (until half term when it will increase to £2.60) which is payable on Pay360. If your child would like a school dinner, they can order one daily. All they need to do is inform their class teacher during the dinner register.

All meals are freshly prepared on site and there is always the choice of jacket potatoes or sandwiches if your child does not like the main menu option that day.

Dates for your Diary (new information in bold)

In order to make it easy for parents to find the information needed. Diary dates will be on the newsletter every week. Any new additions/ amendments are in bold to make them easy to identify and add to your diary.

Wednesday 24th May—PC Trudi Brittle year 5 session— online safety

Friday 26th May— No string Instrument lessons due to planned training day for the music school teachers.

Wednesday 12th July— Friday 14th July— Year 6 residential to Standon Bowers

Friday 21st July— Break up for summer

Girls Cricket Opportunity

Wombourne Cricket Club have offered Christ Church girls a free taster session at their girls cricket session which takes place on a Tuesday night. The taster session for Christ Church girls will be held on Tuesday 13th June at 6.30pm at Wombourne cricket club. The fantastic thing about this session is that a ladies team (which is newly formed and full of people who have no experience of cricket) runs at the same time. The ladies team are always looking for new recruits, if you would like to make some friends and get some exercise while your daughter attends their sessions this is a great opportunity! If your daughter would like to attend this free session please complete the form below so that I can provide the coaches with approximate numbers. I will be there on the evening to support the girls in this session.

Form to express interest in the free taster session at Wombourne Cricket Club.

Science Principles

Over the last two weeks, Mrs Cain has been working hard to gather the thoughts of staff, pupils and other stake holders at Christ Church to develop a set of Science Principles to reflect how we view Science. These will give both staff and children a shared understanding of what Science teaching and learning looks like throughout our school.

The Science Principles for our school are –
Science is good when...

We are inspired to be scientists! We explore and discover new things, using our working scientifically and enquiry skills. We learn about modern day and historical famous scientists. This raises aspirations for STEM careers.

Learning is purposeful and we can make links. We make links between our experiences and other subject areas. Learning is linked to other subjects and shared within and beyond our school community. Big questions help us to apply our learning.

It builds on our previous knowledge and skills. We learn new words and we are confident to use these and be scientific! We build on our prior knowledge.

We go outside to learn. We are inspired and encouraged to investigate the world and explore outside when possible.

There is a challenge! We develop and extend our learning, developing knowledge, key skills and scientific vocabulary. Talk and deeper thinking is promoted, using bright ideas time to encourage questions and generate ideas. Have opportunities to ask their own questions, discuss and share their ideas and reflect on what they have discovered.

We work in groups and have discussions. We have opportunities to ask our own questions. We discuss and share ideas and reflect on what we have discovered. We have ownership of our learning.

There are practical 'hands on' experiences. We are involved in practical 'hands on' investigations using scientific resources. We can apply our scientific learning to real life experiences meaning science is meaningful and relevant.

We are curious and engaged! This gives Science the wow factor! We are active and engaged in our learning, encouraging our curiosity and questioning. This is promoted at every opportunity.

Poster competition

We would like these principles to be displayed in every classroom for all members of the school community to see and be aware of and this is where Mrs Cain needs you! Your poster will need to clearly show all the principles for everyone to refer to and see. You don't have to include all of the wording, just the main elements –

Science is good when...

We are inspired to be scientists!

Learning is purposeful and we can make links.

It builds on our previous knowledge and skills.

We go outside to learn.

There is a challenge!

We work in groups and have discussions.

There are practical 'hands on' experiences.

We are curious and engaged!

All entries need to be submitted to Mrs Cain by Friday 9th June. The winner will take home a prize and have their work displayed around school for all to see!

Beacon Colour Run!

Thank you to everyone who took part in the colour run last weekend. It was a really enjoyable event! The children were so supportive to each other and a lot of fun was had! It was great to see so many families enjoying running the course together.

Visit from MP Stuart Anderson

Stuart Anderson MP visited Christ Church today to discuss democracy. The children had so many fantastic questions! We all learnt a lot about how democracy in our country works.

Year 5 Rivers Trip

Criss Cross in Church.

This month's **Criss-Cross** at church, planned for Sunday 28 May, has unfortunately had to be **cancelled**. The next **Criss-Cross** will be on Sunday 25 June, 4.00-6.00pm at the church

Fun Science After School Programme

Dear Parent/Guardian

I am delighted to inform you that Fun Science will be returning to Christ Church Junior Lower School to run a science themed after school club for an hour a week for **6 weeks from Wednesday 7th June to Wednesday 12th July from 3:25 to 4:25** which will be filled with action-packed, hands-on science.

The cost for the 6-week programme is **£36.00** and each week children will either make or be given something to take home with them so that the investigations can continue at home, we will be exploring new topics each half term.

If you would like your child/children to attend the club, you can reserve places online and make the relevant payment by using this link.

[Lower School](#) (The link can now be used to book upper school children onto this club as there are still spaces remaining)

If you would prefer to pay by cash, please leave this in the school office for my collection.

I look forward to welcoming your child/children to this exciting club.

For more information about Fun Science please visit

www.fun-science.org.uk/shropshire or email any queries to shropshire@fun-science.org.uk

Kind Regards

Sue Hayward

Fun Science Shropshire

Now open to
upper school as we
have places
remaining!

Dinner Money

After half term the price of school dinners will increase to £2.60 per day. This is due to the increase in food costs for the catering company.
