### **Mrs Hegarty's 50th Birthday Challenge!**

To celebrate Mrs Hegarty's 50th birthday (I know, I was shocked too!) she has decided to do a sky dive in support of the Haven who are celebrating 50 years of delivering vital support to women and their children vulnerable to domestic abuse and homelessness. If you would like to sponsor Mrs Hegarty, please follow the link below!

### **Weekly Safeguarding Tip**

What to do about fake accounts These fake accounts can be on TikTok, Facebook, Twitter or any other social media medium. Often these accounts pose as staff from a particular educational establishment, which can cause distress to members of staff and may show offensive content. The SWGFL has published a page which gives advice on what to do in these situations.

## STEM Day (Science, Technology, Engineering and Maths)

The children had an amazing day yesterday for STEM Day. A huge thank you to Miss Knowles, Mrs Cain and Mrs McWilliams for organizing this inspiring day for the children. The day started with a very exciting games show in the hall with the teachers very much in character! The children absolutely loved it!

## STEM Day (Science, Technology, Engineering and Maths)

### Thought of the week

#### Theme- Easter

Thank you year 5 for a well planned worship

**Luke 24:6-7:** "Remember how he told you, while he was still with you in Galilee: 'The Son of Man must be delivered over to the hands of sinners, be crucified and on the third day be raised again.'"

## Grammar School Event

I would like to say thank you to the year 3 leaders who came along to the Grammar School yesterday. I was bursting with pride! They were mature in their role and supportive to the younger children. The staff at the Grammar were very impressed with the children and their ability to inspire the younger children and take lead so confidently!

## Beacon Colour Run!

Following the huge success of the Santa Dash in December, we have again linked with Beacon to support their next event 'Family Fun Colour Run' The run/walk is a 5k course around East Park. All runners receive a white t-shirt, and novelty glasses. All participants are then blasted with power paint at colour blast stations throughout the course! It is a really fun way to get your family active!

As we nearly double the numbers who entered the Santa Dash, which helped the charities fund raising significantly, they are keen to link with us again. As a result, they have created us a discount code. Using the code word **GREEN** (all capitals) at checkout will take a £1.00 off adult and children's tickets, using the code will take it down the price of £10 per adult and £5 per child.

It would be amazing to have as many families onboard as possible. Not only are we supporting a local charity but we also aim to inspire children to be active and show them how much fun it can be!
