### Spellings

Spelling lists for the whole year are available on our website:

Go to the 'Our Curriculum' tab and select the 'Curriculum Map' option. The spelling lists are on the right hand side.

The link below will take you directly there:

<https://www.christchurchfederation.co.uk/junior-curriculum-maps>

All children should now have their spelling shed login details.

Please find a link below to the login area:

Spelling lists will be taught in class during the week and tested during a weekly timetabled slot. Please help your child to learn their spellings each week. There are some lovely games on spelling shed. The children earn points when they practise. The children can also change their avatar to look like themselves! We hope this resource will bring some fun to weekly spellings.

**For week beginning Monday 16th November children will be tested on list 10 for their year group.**

### Spelling Shed Super Stars!

This week I would like to award house points to the following children for their commitment to learning their spellings on spelling shed at home.

Year 3- Akaash Malhi  
Year 4- Allegrisse Norberto  
Year 5- Logan Morgan  
Year 6- Lola Sperling

We are now setting homework tasks on Edshed where possible.

### School Dinners

The children can now choose to be dinners or sandwiches on a daily basis. Please find a current menu attached to the bottom on the newsletter.

Next week will be week 2 on the menu.

### Flu Vaccination

The school nurses will be in school on Friday 20th November administering the flu nasal spray. Please ensure the consent form is returned if you wish your child to be vaccinated.

### House Points/ Leaf Assembly

As many of you will be aware, last year we introduced 'platinum cards' to our behaviour system. If the children do not have a red or yellow card for the whole week, they get a 'platinum point'. When they have three platinum points, they receive a house point. This system ensures the children who behave well all the time are rewarded. The system ensures that no children miss out on the recognition they deserve for good behaviour.

The 'Gold Leaf' award has always been very sought after by the children. Many children challenge themselves throughout the year to try and achieve this award. The children who reach 'gold' will have behaved beautifully throughout the year, showed a positive attitude and also produced excellent work.

In order to ensure the gold award stays prestigious now that there are 12 potential house points awarded via platinum points, we have revised the amount of house points required in order to receive the bronze, silver and gold leaves.

Silver Leaf– 15 house points

Gold Leaf– 25 house points

Bronze leaf will remain at 3 house points for this academic year as some children have already received the leaf with this threshold. Going forward, Bronze leaf will be awarded after 5 house points.

### INSET Days

The following dates are INSET days this academic year :

12/2/2021

07/06/2021

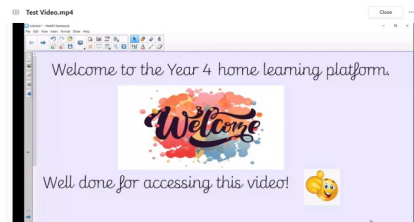

21/07/2021

### Virtual Learning.

All the teachers have now uploaded a video to their year group 'Team'. This will be where teachers will post daily lesson videos in the case of a bubble closure.

Please login to your child's Teams account and check you can access the video.

Please let the school office know if you have forgotten your password and require a reset.

### Book Quiz

This year Christ Church are taking part in the 'Game4Reading' book quiz. This year the quiz is taking place via Teams! The children in the book quiz team have been working really hard to get all the texts read by next week. They have had their practise questions and they are ready to go! Good Luck!

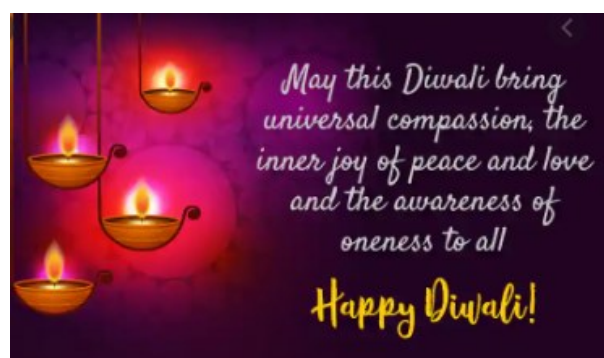

### Birthday Celebrations

Lockdown birthdays are disappointing, especially for children who like to celebrate with a party or going out with friends. In order to give children a special moment of recognition for their 'Lockdown Birthday', the teachers are all dedicating a 1 hour slot for a birthday celebration of the classes choice . This way, all children who are celebrating a birthday during the lockdown period will have the opportunity to mark this in their class bubble with their friends.

Well done to Noah and Millan in 5B for some amazing Diwali writing! I have only included as short extract from each but they boys completed the whole story to a very high standard!

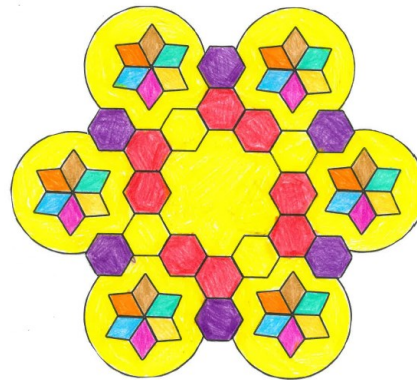

Well done to Devesh, Rohit and Devinder (5B) who worked together to write a script of the Rama and Sita Story. We have recorded them reciting it and will be using it in worship next week!
